

■ **NEVADA OCCUPATIONAL SAFETY AND HEALTH ACT (*TEMPORARY LABOR CAMPS*)**

TERMS: Under the authority of the occupational safety and health law, the state industrial relations agency has adopted standards regulating temporary labor camps provided by employers for the use of their workers. Nevada's temporary labor camp standards are identical to those established by the U.S. Occupational Safety and Health Administration (*see entry, U.S. — Housing — General Employee Housing Standards*) and apply to farm operators and other agricultural establishments that have worker housing facilities.

ENFORCEMENT: *Nevada Occupational Safety and Health Administration (NVOSHA), Division of Industrial Relations, Nevada Department of Business and Industry, Henderson, Nevada 89074 (702-486-9020)*. A worker or worker representative who is aware of a violation of the temporary labor camp standards may request an investigation by notifying NVOSHA.

SPECIAL NOTE: An employer may not fire, discipline or discriminate against a worker because the worker has filed a complaint or made use of any other right granted by this law.
